President's Report

Happy New Year!

I would like to thank the 2010 Board of Directors and members for making 2010 a success. We met several of our goals in 2010 including growing in membership, balancing our budget and running our Haunted House, Monster Mayhem. Everyone was excited about the events in 2010 and I look forward to carrying the momentum forward into 2011.

During my closing remarks at the Year End Banquet earlier this month, I mentioned that during our Local Officer Training School our guest speaker, Gary Minor, discussed the importance of leadership. As a member of a leadership organization, I think the meaning has a greater importance.

He made a powerful statement that without a vision, people perish. How many times have we seen this in our city, state, country? How many businesses and organizations have perished? Several losses can be directly related to a loss of vision. During these difficult times, it is important to follow our vision. And Lansing Jaycees, what is our vision? We promote leadership involvement through community development.

Our current Michigan Jaycees President, Dave Worthams, reminds us that quite simply "We Build Leaders". So I encourage all of you to take your Jaycee membership to the next level and get involved with the trainings and resources we have to offer. Have you attended several events but have not been a part of a committee? Or have you been on a committee but haven't chaired an event? Well, what are you waiting for? The beginning of the year is a great time to get more involved!

Our 2011 Board of Directors is currently forming committees, setting up events and looking for new ideas. What would you like to see happen this year? Take the time to get involved by responding to our membership survey and/or joining a committee.

I am honored to be a returning president. For those of you that have reviewed the list of Past Presidents you can see it is not a common occurrence to serve more than a year as a President. I look forward to seeing the projects and events that we offer in 2011. Great things are possible with the Lansing Jaycees!

Feel free to contact me with any questions or concerns.

Sincerely,
Angela Fossi

A Message from the Membership VP

Well here we are, the beginning of a new year. We are lucky to start every new calendar year with a new board bringing in new and fresh ideas. Throughout the year we also welcome new members through many of our tremendous events.

As we move into the year of 2011 we look forward to always improving our annual projects and beginning new ones. Which makes me think...

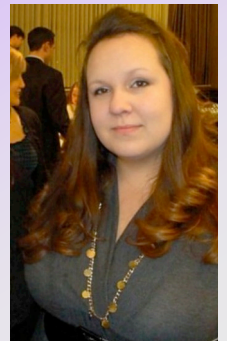

We can't solve problems by using the same kind of thinking we used when we created them.
- Albert Einstein

As all of our members, new and experienced, lives are ever changing, so is our community and membership. We can not always know exactly what is needed to make that food drive work best, make it not rain on a Lugnuts event, know all the answers to all the questions at the professional development training, or anticipate the exact number of participants at our next Texas Holdem' event. We can, though, always be the most creative thinkers, the strongest leaders in the community, the funnest people to be around, and the best Jaycee chapter that we possibly can be!

Always know that everything this proud and established chapter does cannot be done without you!!! YOU are the key to making the Lansing Jaycees prosper every year! I look forward to seeing each of you throughout 2011! Keep an eye on the calendar, as we all know many new and experienced events will be going on that you do not want to miss!

Here's to 2011!!! Cheers!

*A message from Abby Siegel,
Community Development Director*

Hello, everyone and welcome to 2011! I am super excited about this year and the activities we will be involved in. Our first big event for the year will be our Easter Egg Hunt on the Capitol lawn.

In February, however, there is a local event some may be interested in attending. Happendance Modern Dance Company's 35th Anniversary Concert will be on February 19 at 8 p.m. at Lansing Community College's Dart Auditorium. Also performing at this event is the Lansing Symphony Orchestra's chamber ensemble. Happendance, like the Lansing Jaycees, gives back to the community through programs like the Community Dance Project, and Happendance To Go.

This concert promises to be a good one with guest choreographers Cristina Perera, who served as artistic director for Cirque du Soleil's "Alegria." Bill DeYoung, a professor of dance at University of Michigan, will also be choreographing. They join with co-directors Missy Lilje and Matt Bebermeyer, making this celebration of Michigan's longest-running professional modern dance company a performance not to be missed.

I hope all who attend enjoy the show. And, please if you have suggestions for community projects, or want to get the word out about other events around the area, please let us know! Thank you for the great year we're going to have!

*A message from Lauren Leeds,
Community Development Director*

Welcome 2011! I look forward to serving the Lansing Jaycees as press secretary and as a community director this year.

As press secretary, I plan to examine all the ways the chapter utilizes public and media relations, including traditional media, social media like Facebook and Twitter, community calendars and other tools we may want to include going forward.

When asked why they joined the Jaycees, many people respond that they joined to serve their community – I know that's true for me. That's why I'm excited about introducing the chapter to new and familiar projects, such as:

- Holding a "Christmas in July" nonperishable food drive running through the summer months to benefit a local food bank or rescue mission;
- Volunteering at local shelters and animal shelters;
- Running a voter registration drive to encourage voter participation;
- Partnering with the VFW National Home for Children in Eaton Rapids to benefit military families;
- The Easter Egg Hunt on the Capitol lawn (keep your eyes peeled for more information in the near future);
- Hosting a "Bow Wow" bake sale to benefit the Capital Area Humane Society and other animal welfare programs in the greater Lansing area;
- Taking a trip to our nation's capital to see our federal government in action; and
- The ever-popular "Stuff the Bus" event.

This list of ideas is only a starting point. I encourage anyone with an idea to contact me or Abby Siegel, my partner in crime. Abby and I are both excited about community service, and we would love to hear your ideas on ways we can all give back to our community.

I know 2011 will be a banner year for the Lansing Jaycees. Bring it on!

HAPPENDANCE 35TH ANNIVERSARY CONNECTS DANCERS AND MUSICIANS ON STAGE

One of the most exciting collaborations in Happendance history is timed perfectly to celebrate turning 35. Lansing Symphony Orchestra's Chamber Ensemble will be accompanying the Happendance Professional Company on stage at Dart Auditorium (Lansing Community College) throughout the February 19-20 concert entitled, "CONNECT."

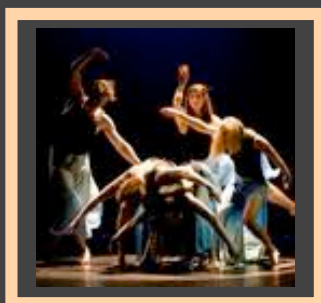

Co-directors Missy Lilje and Matt Bebermeyer are each offering new works to take advantage of having Chamber Ensemble accompaniment. Lilje performs with Andrew Amos and Patty Villanueva in *Vertical Lament*, set to Samuel Barber's *Adagio for Strings*. The trio explores the wishes of a vertically-challenged individual to reach as high as her taller counterparts. In Lilje's second piece, the pre-professionals of the Happendance 2 company join with the five professionals for an upbeat celebration danced to the music of Coldplay arranged for string quartet. Bebermeyer is creating a three-part dance that uses Bach's famous *Suite for Cello #1 in G Major*. He is also working on a set of four vignettes sprinkled throughout the show and set in silence. In addition, Happendancer Patty Villanueva will be performing a capricious conversation through dance with solo cellist, entitled *Duet*.

Complementing the artistic skills of the Happendancers are two guest choreographers. Cristina Perera has been a dance professional in Asia, Europe and the Americas, including a year in Brazil as artistic director of Cirque du Soleil's *Alegria*. Her dance is *Thoughts of Love and Loss*, an intense and rigorous duet, set on Matt Bebermeyer and Tracy Holtzer to the music *Fratres* by Arvo Part. University of Michigan professor of dance, Bill DeYoung, is choreographing a thoughtful, detailed and fast-paced piece for all five professional dancers, set to *Movement for String Quartet* by Aaron Copeland.

This is an event not to be missed, coupling exceptional live music by the Lansing Symphony Orchestra Chamber Ensemble with thrilling dance from Michigan's longest-running professional modern dance company.

Tickets are \$15 (\$12 students), available at the door and at happendance.org. A Preview performance will be Friday at 8 PM, with a suggested donation of \$5.

Sponsored in part by the Arts Council of Greater Lansing, Capital Region Community Foundation, Ingham County Hotel-Motel Tax Fund, and a City of Lansing Arts and Cultural Grant.

Dream Job: Host a Saturday Night Live show.

Favorite Food: Peanuts, peanut butter on toast/bagel, peanut butter and chocolate ice cream, Reese's Peanut Butter Cups, Reese's Pieces, and PB&J sandwiches. I wish I could think of a common food type to describe these, really. ;)

First car: A brown 1984 AMC Eagle 4x4 with (fake) wood trim – think 1980's crossover. First car I bought was a black 1991 Jeep Cherokee 2 door 4x4 with a 5-speed – best winter car ever!

Random Fact: I jumped out of a driverless Suburban that was rolling down a steep hill when I was 11, walked away from a nearly totaled Cessna that crashed into a drainage ditch during an introductory flight when I was 15, and survived a skydiving accident after my lines tangled-up when I was 19. Things have been easy-going since then.

Favorite Jaycee Project and reason: I really enjoy people watching at our Texas Hold 'Em fundraising events!

Hello! I am excited to be your 2011 Management Vice President. One of my main responsibilities as the Management VP is to make sure that the chapter is raising enough funding to put on the programs and events that we all enjoy taking part in. Our key fundraisers are Texas Hold 'Em and the Haunted House.

Funds raised from these projects give us the ability to do our main events like the Easter Egg Hunt, Children's Shopping Spree, and Stuff the Bus. In addition, the funds help with softball, white water rafting, camping trip, and Year End Banquet.

This year I am hoping to see increased member participation in our fundraising events, in addition to coming up with new fundraising ideas for the chapter so we have varied sources of revenue.

If you have ideas or suggestions for fundraising please let me know.

Hey... What's Your Sign?

Yes, it may be the cheesiest pick-up line in history, but new reports are showing that the moon's gravitational pull on the Earth has shifted the Zodiac by about a month.

This sudden shift did not happen quickly, as changes in positions of the Earth and Sun have occurred over thousands of years. The original Zodiac signs were designated over 3,000 years ago, when study of astrology first began.

So, has your sign changed?

According to the Minnesota Planetarium Society, here is where the real signs of the Zodiac should fall.

Capricorn: Jan. 20-Feb. 16.

Aquarius: Feb. 16-March 11.

Pisces: March 11-April 18.

Aries: April 18-May 13.

Taurus: May 13-June 21.

Gemini: June 21-July 20.

Cancer: July 20-Aug. 10.

Leo: Aug. 10-Sept. 16.

Virgo: Sept. 16-Oct. 30.

Libra: Oct. 30-Nov. 23.

Scorpio: Nov. 23-29.

Ophiuchus: Nov. 29-Dec. 17. (Yep, this one is new — read all about the [Ophiuchus way of life here](#))

Sagittarius: Dec. 17-Jan. 20.

So, the next time someone pulls the ol' "What's your sign?" routine on you, make sure they know theirs – their REAL one – first!
